Spanish / Portuguese Southern Tour –

This trip will take you in to Portugal's Alentejo region, and then onwards in to Spain. Get some winter and spring sun on your face, nice riding temperatures and few tourists – great.

During the week you will see and ride great roads, soak up spectacular scenery, ride next to the ocean in Spain, visit Seville, Granada and the Alhambra palace.

Eat and drink at some fabulous places, and experience something new. Accommodation is in very comfortable high quality manor style houses, and carefully selected hotels, all with private facilities and breakfast.

The days have been designed for riding, site seeing and enjoyment, this is a rider's holiday; two of the days are long. Any competent all round rider will happily manage this trip.
